## ABOUT ME

Hey I'm Tuyen, a 22 years old mobile media student from Stuttgart studying at Hochschule der Medien Stuttgart. Since I started my studies I discovered my love for creating memorable experiences for people. I'm motivated in interoperating with diverse people to work together, to create brilliant stuff and to learn from them.

Check out my portfolio for more about me and my work: [www.tuyencao.com](http://www.tuyencao.com)

Interested in collaborating with me? Just email, call or text me in WhatsApp!
